

Innovation Jam! Transforming Health Care

October 10, 2018, Cromwell, CT

Request for Proposals : Rapid Fire Sessions

Deadline August 17th

We want to hear from nurses who have solved a problem, made a change, tried a new approach to solving a problem, took an opportunity for improvement, and want to share! Topic areas for presentations delivered in the Rapid Fire Session format include:

- Innovation;
- Using Data;
- Leadership/Professional practice;
- Engagement;
- Community Partnerships; and/or
- Advocacy

These presentations are intended to stimulate the exchange of new and exciting ideas to improve patient outcomes or care in a short time period.

Learn more about the submission and presentation process by reading below!
