# *The Nightingale Tribute*

*A tribute to any registered nurse or licensed practical nurse for their years of service, to be given during the nurse's funeral by a nurse colleague or friend.*

Nursing is a calling, a way of life. Nursing is a service profession that cannot be lived in isolation. Nurses rely on each other for the synergistic effect of teamwork in our efforts of care giving. It is appropriate that we honor our colleagues not only during their career, but also at the end of life's journey

## Format for the Nightingale Tribute

The Nightingale Tribute begins with a short synopsis of the nurse's career. A creative reading follows the synopsis. A rose is placed with the nurse after the reading, with the statement, "(Name), we honor you this day and give you a rose to symbolize our honor and appreciation for being our nursing colleague."

This entire tribute takes only two minutes and can be placed anywhere in the service appropriate to the traditions and beliefs of the recipient's faith.

### How do I arrange for this tribute for my loved one?

- Visit with your funeral home director about this tribute.
- Choose an RN friend or colleague (active or retired) of the deceased to present the tribute
- If you are unable to contact a nurse friend or colleague to present the Tribute, contact the Connecticut Nurses' Association (CNA) to assist you.
- The nurse who gives the Tribute must send the name of the deceased nurse to the Connecticut Nurses' Association for recognition in a memorial ceremony held at the Annual Meeting.
- Ask the nurse to visit with you. Provide them a brief synopsis of your loved one's life as a nurse.
- Use the words included with this brochure as a creative reading to follow the career synopsis. Adapt the reading to fit the recipient.
- Schedule the Tribute in the service in collaboration with the family, funeral home and place of worship as appropriate.
- Decide if you would like a rose placed with your loved one in tribute and honor. If so, notify the nurse presenter and any other nurse friends to bring a rose.
- You may wish to honor the memory of your loved one through a donation in her/his name to further the work and scholarship awards of the Connecticut Nurses' Foundation at 377 Research Parkway, Suit 2D, Meriden, CT 06450.

## The Nightingale Tribute Reading

Nursing is a calling, a lifestyle, a way of living. Nurses here today honor \_\_\_\_\_ and his/her life as a nurse.

\_\_\_\_\_ is not remembered by his/her \_\_\_\_\_ years as a nurse, but by the difference he/she made during those years by stepping into people's lives .... by special moments:

### *She Was There*

When a calming, quiet presence was all that was needed,

She was there

In the excitement and miracle of birth or in the mystery and loss of life,

She was there.

When a silent glance could uplift a patient, family member or friend,

She was there.

At those times when the unexplainable needed to be explained,

She was there.

When the situation demanded a swift foot and sharp mind,

She was there.

When a gentle touch, a firm push, or an encouraging word was needed,

She was there.

In choosing the best one from a family's "Thank You" box of chocolates,

She was there.

To witness humanity--its beauty, in good times and bad, without judgment,

She was there.

To embrace the woes of the world, willingly, and offer hope,

She was there.

And now, that it is time to be at the Greater One's side,

She is there.
